

# Eveline Chaza

Saskatoon, SK

(306) 221-2187

[evelinenokutendachaza@gmail.com](mailto:evelinenokutendachaza@gmail.com)

A computer science student with a strong foundation in software development, adept problem-solving skills, and a commitment to excellence. Engaged in collaborative projects, showcasing proficiency in coding, system design, and emphasizing test-driven development and agile practices.

## **EDUCATION AND COURSEWORK**

### **Bachelor of Science in Computer Science (2022- Present)**

**University of Saskatchewan, Saskatoon, SK**

**Expected date of completion: April 2026**

**Maintaining an 94% overall average in my major.**

**Course work:** Intermediate Software Engineering; Implementation of graphical user interfaces; Full Stack Web Programming.

## **PROJECTS**

### **Pet Store System**

Course: CMPT 270 - Developing Object-Oriented Systems

A software application with a graphical user interface (GUI), aimed at simplifying pet store management, including kennel assignments, animal operations, and detailed animal profiles.

- Developed using Java and used IntelliJ as the IDE.
- This was an individual project.
- This project included software development, GUI design, and effective project management.

### **Personal Website**

Personal Project

A responsive and visually appealing website with interactive elements. The website serves as an online portfolio, providing detailed information about coding projects and professional background.

- Designed and developed using HTML, CSS, and JavaScript to showcase coding projects, portfolio, and resume.
- Website URL: <https://noxstar.github.io/evelinechaza/>
- Git: <https://github.com/noxstar/evelinechaza.git>

## **TECHNICAL SKILLS**

Programming Languages: Java, C++, C

Web Development: HTML, CSS, ReactJS

Data Science: Python, SQL

Tools: Git, PyCharm, Docker, Visual Studio Code

Operating Systems: Windows, macOS

## **EXPERIENCE**

### **Director of Eve Bakes**

**(Nov 2019 – Present)**

Eve Bakes – Saskatoon, SK

**Scope:** A baking company specializing in creating exceptional baked goods, including cakes, cupcakes, and desserts.

#### **Responsibilities:**

- Spearheaded all aspects of business operations at Eve Bakes, implementing efficient organizational strategies to meet production deadlines, showcasing strong time management skills.
- Developed and executed marketing campaigns through social media platforms, showcasing digital marketing abilities, resulting in a significant increase in the company's online presence and customer engagement.
- Handled customer conflicts professionally, showcasing effective problem-solving and conflict resolution skills, maintaining a high level of customer loyalty.

### **Science Ambassador**

**(May 2023 – June 2023)**

University of Saskatchewan

**Scope:** Travelled in pairs to a Northern Saskatchewan community and worked with K -12 students for 4 weeks. Worked with classroom teachers to inspire young students by co-leading fun hands-on science and math activities.

- Successfully conveyed complex science concepts to diverse students of various ages and learning styles using strong communication skills and diverse teaching methods, ensuring understanding and engagement.
- Crafted efficient class schedules and tailored teaching materials, leading to structured learning and improved instructional quality.
- Collaboratively taught and engaged students in a remote community with a partner, delivering a comprehensive learning experience as a cohesive team.

## **EXTRACURRICULAR**

### **Volunteer Work**

#### **Friendship Inn – Saskatoon**

**(April 2022)**

Demonstrated commitment to community service by volunteering at the Friendship Inn, a local organization dedicated to providing meals and support to those in need.

#### **Rotaract Member**
